

Pricing and licenses

Do you have a trial so I can test the PRO or STUDIO license for free?

Yes. You can request a trial indicating which license you want to try by writing an email to support@bobclass.com. You will need to have the BASE app installed - which you can download for free from the Apple [App Store](#). You also need to have a Bobclass Cloud account which you can create from the app's settings > Bobclass Cloud. Let us know which email address you use for Bobclass Cloud so we can enable the trial license for this account. The trial lasts for 14 days, without commitments and you do not need to provide any credit card details.
